

TAKE THE J.W. CONVERTER CHALLENGE IN 2012!

Take the J.W. Performance torque converter challenge in 2012. E-mail us your information regarding your torque converter and how long it has been in use at jwperf@racewithjw.com. The torque converter must be in use at the present time. The torque converter with the longest usage will receive a free J.W. Performance torque converter valued at up to \$800. At the present time Terry Gregoris won the 2011 Citrus Nationals with a 24 year old J.W. Performance torque converter. The torque converter was serviced earlier in the season by J.W. Performance.

Winner to be drawn December 2012! (see details on back)
